2019 September

Dear Supporters of Pustakaar,

Welcome to our first quarterly newsletter! We are so grateful for all of your support and we want to share Pustakaar news with all of you on a regular basis. It helps tell the story of what we do, and where your contributions are being used.

NEW TEAM MEMBERS

First, our most exciting news – we have two new hires to the Pustakaar team! Please meet Pallavi Peddamalku and Sarath Sagi, our teaching coordinators. They travel to schools to take story sessions, help loan out books to students, and also put in time at our office.

From Pallavi: Hello, I am Pallavi. I completed MSc from Osmania University & BEd from MNR Teacher Education College. I can speak English, Telugu & Hindi. It's a great experience with the children in schools

and the all volunteers are very friendly. Pustakaar is providing a great platform to the children to improve their language & creative skills. I'm very proud to be a part of Pustakaar.

From Sarath: I am Sarath and I am in my degree final year. It's been a pleasure working with Pustakaar. I enjoy the excellent environment interacting with kids, and helping them improve their communication skills. I love to spend my time with the Pustakaar children.

We are very happy to have them join our team!

ISH PARTNER EVENT

Pustakaar recently presented at International School of Hyderabad on September 17th as one of their supported partner organizations. Students were encouraged to reach out to their communities, families, and friends about the work being done by Pustakaar. Students suggested holding book drives in their neighborhoods to add books to our library.

Highlighted School of the Month

Indian People School, H.S. Darga
Student Strength – 430 from LKG to Grade 10

IPS and Mr. Suresh have been part of Pustakaar since 2011. Mr Suresh is a strong supporter of our reading sessions, and enjoys having our library. Even students in the higher grades still recognize their first volunteer teachers! Many volunteers and guests of volunteers have visited IPS as a showcased Pustakaar school.

Mr. Suresh says, “ I joined IPS in 2010, and Pustakaar came to IPS in 2011. I see a lot of difference in my students since then. When I joined, they would not like to read books – they did not even see storybooks. But I can say, that after Pustakaar story sessions, they really enjoy selecting their own books and listening to stories. Last year, we joined Pustakaar sessions at the Adbutha program, and then Pustakaar took them to the Children’s Theatre Festival. These exposures are important for my students as they wont have access to this. Their parents are not so educated to take them. I am grateful to Pustakaar for their support.”.

COMING SOON...

We are actively seeking new volunteers and new partner schools. Please do get in touch with us if you know someone interested in donating time to Pustakaar, or if there is a school near you that can benefit from Pustakaar's mobile library and/or reading sessions. This year, Pustakaar is also installing FIXED ROTATIONAL LIBRARIES at needed schools. Please reach out to us if you know a school that needs a library. Pustakaar will also be rolling out our brand new website in the coming weeks. We welcome any suggestions, or if anyone has any technical expertise they would like to share. Please contact us!
